

# Trips, slips and other mishaps – the essentials 2019

**Manchester 25 June**

**Sometimes there is simply no liability in what seems to be a winning case!  
Sometimes there is clear liability in what seems to be a losing case!**

This fully updated course has been designed to help you find, and use, the right piece of law to win trip, slip and public liability claims.

As well as the common law there are numerous regulations and statutes practitioners need to be aware of to win cases.

Practitioners also need to know which cases can be kept out of the EL/PL Protocol.

With all the latest developments for 2019 this course includes:

- Occupiers' liability to visitors
- Occupiers' liability to trespassers
- Claims by children
- Shop and supermarket slips and trips
- Falls and injuries in pubs and nightclubs
- Claims arising out of fires
- Highway trips
- Contributory negligence in occupiers and highway cases
- Which cases to put into or keep out of the EL/PL Protocol
- And more!

This course has been developed to satisfy the knowledge and understanding elements of the APIL Competence Standard for Litigators. It will enable the applicant to then work through the outcomes of effective performance within the firm and apply for APIL accreditation at litigator level, when there is evidence that all elements have been satisfied.

***"The best course I have ever attended. An absolute belter."***
