

**BECOME A TWO STAR  
EXPERT THROUGH  
APIL!**

# **Legal training for quantum expert witnesses 2021 (LIVE VIRTUAL EVENT)**

The Association of Personal Injury Lawyers (APIL) is pleased to announce the development of brand new training events for expert witnesses, geared towards both claimant and defendant experts.

## ***Who should attend?***

This course is a general experts course appropriate for all quantum experts in personal injury litigation including experts in care & rehabilitation, prosthetics and orthotics; employment; accountancy and architecture

Our experts courses aim to deliver practical guidance to assist you in developing the skills and knowledge required to become a good expert. They can serve as an introduction but also as a refresher, to improve your current skill-set.

## ***APIL database of experts***

APIL provides an expert database for its membership. It has been designed to speed up the litigation process by providing APIL members with suitably qualified experts to assist with their cases.

APIL experts are categorised as follows:

- Tier 1\*\*:  
Tier 1\*:  
Tier 1:  
Tier 2:
  - Tier 3:
- Experts recommended by APIL members, completed both courses  
Experts recommended by APIL members, completed one course  
Experts recommended by APIL members  
Experts recognised by expert witness organisations such as the Expert Witness Institute or Society of Expert Witnesses (who do not hold an APIL member reference)  
Experts without recommendation or external recognition

## **About APIL**

APIL has been fighting for the rights of injured people for almost 30 years. A not-for-profit campaign organisation, APIL's 3,300 member lawyers (mainly solicitors, barristers and legal executives) are dedicated to protecting and enhancing access to justice, changing the law where appropriate, and improving the services provided for victims of personal injury. Over the years APIL has grown to become the leading, most respected organisation in this field, constantly working to promote and develop expertise in the practise of personal injury law, for the benefit of injured people.

## **PLEASE NOTE!**

There will be two further events geared towards non-medical experts which are currently under development. These events will be as follows:

**30 November** - Medical experts - This event has already been run live but is available as a recording

**19 January 2021** - Non-medical experts - liability - engineers, accident reconstruction, forensics
