How do APIL's virtual conferences work?

- All delegates receive a unique log-in and they can then view the conference via the APIL App or from their desktop browser. Registrations are for individual delegates only and the personal unique links must not be shared.
- The full conference programme will be available to view live, with comfort breaks.
- All sessions will be available to view on demand, at your convenience, for 6 months after the live event date.
- Conference materials and slides (that have been cleared by our speakers) will be provided in an electronic format, via the virtual platform.
- Delegates will be given the opportunity to participate in a live Q&A session at the end of each presentation.
- Networking - you will be able to network with our conference sponsors and other attendees via our interactive 1:1 chats and 'Direct messaging' service.
