

Clinical negligence - the basics

Law and procedure for investigating clinical negligence claims

VIRTUAL EVENT - LIVE STREAMED

Friday, 17 June 2022

This course aims to give an all-round introduction to clinical negligence and explain, based on relevant law and procedure, how such claims should be investigated.

Including all the latest cases the day will cover:

- What is clinical negligence?
- Managing expectations
- Establishing liability
- Proving quantum
- Investigating the claim, the role of factual and expert evidence
- Using the protocol to make the claim
- The basics of litigating a clinical negligence claim

A recording of the course will be available after the event if you cannot make the live date!

“Great starting point for careers in clinical negligence. It was full of useful information providing understanding and knowledge. I took a lot of useful information which filled the gaps in the knowledge that I already have. Thanks John for a great day!”
