VIRTUAL EVENT - LIVE STREAMED OR ON DEMAND
Tuesday, 14 November 2023

Know-how on key legal and tactical issues for investigating and litigating clinical negligence

Following on from where the intermediate course left off, this course aims to give know-how on key legal and tactical issues for investigating and litigating clinical negligence claims including*:

- Analysing and understanding Bolam: when it does and does not apply
- Understanding the various tests for proving causation and what expert evidence would be required for each
- Strategic issues on case and costs management of clinical negligence claims
- Tactics and strategy with Part 36 in clinical negligence claims
- ADR: options, tactics and costs consequences
- Practice management for clinical negligence lawyers
- Future strategic issues

“Interesting, informative and fascinating course, delivered with funny stories making issues come alive. Very animated and very conducive to creating a good learning experience”
