About APIL

The Association of Personal Injury Lawyers (APIL) has been fighting for the rights of injured people for over 30 years. A not-for-profit campaign organisation, APIL's 3200 member lawyers (mainly solicitors, barristers and legal executives) are dedicated to changing the law, protecting and enhancing access to justice, and improving the services provided for victims of personal injury. Over the years, APIL has grown to become the leading, most respected organisation in this field, constantly working to promote and develop expertise in the practise of personal injury law, for the benefit of injured people.

Conference programme

Over the last nine years, this specialist residential conference has grown from strength to strength and for 2023, we are delighted to be heading back to the prestigious five star Celtic Manor Resort in Newport South Wales.

Once again, we are delighted to offer our delegates the option to either attend the event in person or view the conference online, via our slick virtual platform. All delegates will have full access to the APIL App and this new feature will play an important role in the event, giving our sponsors and exhibitors even more opportunity than ever before to keep in touch with the conference attendees.

Medical consultants, expert witnesses, and leading practitioners will come together for another packed programme, providing valuable specialist insight into catastrophic injury cases. The programme will be available in early 2023.

In terms of networking, we are pleased to bring back our popular welcome reception on the Wednesday evening, together with our mid-conference social event (running on the Thursday) which will be a relaxed evening with a choice of food options, drinks and live entertainment, in order to encourage even more networking amongst our attendees.

This is an extremely popular event and the sponsorship and exhibition packages are limited so we would urge you to book as soon as possible to avoid disappointment.

Attendees

This three-day event attracts all levels across the APIL membership, including key decision makers, partners and senior partners.

This event will provide you with an ideal opportunity to raise your profile within the field of brain and spinal cord injury.
