“Another really well run event (as always with APIL), and for us, the key attendee profile was good and we had a very productive couple of days. A must for anyone serious about the PI sector.”

Andy Parker, Managing Director - Sales & Marketing, Keystone Legal

“Voc Rehab UK exhibited at the APIL annual conference in 2017. We found the event of an exceptional quality and well organised. We provide Vocational Rehabilitation and Expert Witness services for injury clients and it is very important for us to establish good connections. And this is exactly what we achieved at this event which attracts many law specialists.

Thank you APIL, we will be booking again!

Katya Halsall, Director - Vocational Consultant & Functional Evaluator, Voc Rehab UK

Please note that sponsors and exhibitors must not break their stand down until after the morning refreshment break on Wednesday, 18 April 2018.

All packages will be sold on a strictly first come, first served basis. To secure your chosen package, please complete the attached booking form and return it to us as soon as possible.

About APIL

The Association of Personal Injury Lawyers (APIL) has been fighting for the rights of injured people for well over 25 years. A not-for-profit campaign organisation, APIL's 3500 member lawyers (mainly solicitors, barristers and legal executives) are dedicated to changing the law, protecting and enhancing access to justice, and improving the services provided for victims of personal injury. Over the years, APIL has grown to become the leading, most respected organisation in this field, constantly working to promote and develop expertise in the practise of personal injury law, for the benefit of injured people.

APIL's annual conference has been revamped for 2018!

When APIL's annual conference took place at the Hilton Birmingham Metropole in 2016, this proved to be a very popular venue for delegates, exhibitors and speakers as it is so accessible by rail, car and air. We are therefore delighted to be returning to this venue in 2018.

Our 2018 event will, however, take on a different format to previous years!

Along with a number of plenary sessions, there will be five seminar opportunities for delegates to hear from speakers covering their own particular field of work. We have introduced four streams covering:

- Business
- RTA/EL/PL
- Disease
- Serious injury

Each stream will therefore provide 5 hours of CPD in a particular field of personal injury, adding to a further 5 hours of plenary sessions. One of the seminar hours will be devoted to two 20 minute speaking opportunities for our advertisers, with 5 minutes additional time for Q & A and 5 minutes handover. Sponsors and exhibitors are invited to take up these opportunities but please note that they must follow the theme of one of the above streams. We are also seeking sponsors for each of the one hour sessions.

Our welcome evening and mid-conference social events will also be much more relaxed in 2018. There will be no formal sit down dinner dance and delegates and exhibitors will be encouraged to network throughout the evening, meeting new contacts whilst enjoying the food, drinks and entertainment.

The conference promises to be one of those events where you just have to be there!

Sponsorship packages include...

- 2 delegate passes to the two-day event (for representatives manning the stand), including access to the conference, refreshments and lunch
