

# International injuries conference 2023

## Hybrid event

Wednesday, 29 - Thursday, 30 November

Marriott Regents Park Hotel, London

Over the last eight years, APIL's international injuries conference has grown from strength to strength and for 2023, we are delighted to offer you the opportunity to exhibit at this popular hybrid event, which is taking place at the Marriott Regents Park Hotel in London.

Formerly known as APIL's 'Accidents abroad conference', this event brings together many claimant lawyers who specialise in accidents and illnesses abroad, together with an increasing number of international colleagues, who travel to the conference from overseas.
