### Testimonial from last year's sponsor -FHC Experts for Law & Mediation

FHC Experts for Law & Mediation were title sponsors of the APIL military conference 2016. The calibre of the speakers, the content, and the conference management by the APIL team was outstanding. APIL were a great organisation to work with.

The venue - HMS Belfast - was ideal and gave FHC team members the opportunity to talk with the solicitors, who specialise in military claims, in an informal and relaxed atmosphere. As a result of the sponsorship FHC has developed relationships with new law firms. We would recommend this as a great way to raise profile and identify new business opportunities.
