

Personal injury update - autumn 2025

Written and presented by expert practitioners, professional presenters, APIL Senior Fellows and JPIL case digest editors, Brett Dixon and John McQuater!

Stay Ahead Of The Curve with APIL's Personal Injury Update

The APIL Personal Injury Update is a comprehensive full-day course designed to deliver the most current insights into personal injury law, covering key developments in practice, procedure, and case law. Led by leading expert practitioners, this session provides practical guidance and early awareness of sector trends, empowering your team and strengthening your firm's capabilities in a rapidly evolving legal landscape.

To suit your schedule, the tailored course is available in Belfast*, London, Manchester and Edinburgh, with a recorded version also offered for added flexibility and convenience.

With limited places available, we would urge you to book onto the event as soon as you can to ensure that you don't miss out.

Objectives

By the end of the training, participants will walk away with valuable, up-to-date knowledge, enabling them to deliver improved client service and maintain a competitive edge.

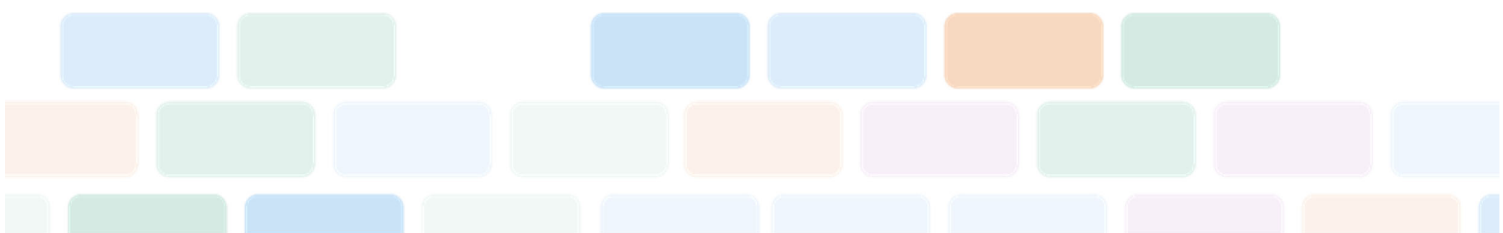

Keeping pace with evolving regulations, legal standards, and procedural updates is not only crucial for success, but also vital for ensuring ongoing compliance and reducing legal risk.
