Contemporary practice in personal injury/medical negligence

Thursday 19th September 2019 Burnley Football Club, Burnley

EmSEVEN Ltd and OT Solutions Ltd are pleased to be organising this conferencing/training event in support of Limb Power. Limb Power works with amputees and individuals with limb impairments in physical activity, sport and the arts to improve quality of life and lifelong rehabilitation.

Based in East Lancashire, EmSEVEN Ltd are an occupational therapy and case management service. For further information about their work and approach please see: www.emseven.co.uk

Based in Preston OT Solutions are an occupational therapy service. For further information about their work and approach please see: www.otsolutions111.co.uk

The event offers an opportunity for professional networking and to engage developments in contemporary practice within the field of personal injury/medical negligence. Coffee breaks in the morning and afternoon, along with lunch will give ample time for informal conversation and networking

The programme has drawn together a range of professionals who are scheduled to present an area of their expertise, which will help frame what promises to be a thought-provoking event. A certificate of attendance will also be provided on the day.

Attendance at the event is by ticket only, priced at £80 for all delegates. There is a student rate of £40, for which forms must be accompanied by a student number. Student ID's will also be required on the day. The proceeds of the event will be given to Limb Power to support their innovative work.

We are also offering interested companies the opportunity to exhibit at the event. There will also be advertising space available in the conference programme. For more information please contact either:
