

APIL abuse conference 2020

Held in association with ACAL

Virtual conference Friday, 13 November Sole sponsorship opportunity

In 2020, APIL is delighted to celebrate it's 30 years and 12th annual abuse conference; and for the first time ever, this popular event is now going fully virtual!

Over the years, this specialist conference has grown from strength to strength and once again, we are looking forward to welcoming a number of leading experts and practitioners in the field, to guide our delegates through the very latest developments in abuse related cases.

In response to the continuing uncertainty surrounding the worldwide covid-19 pandemic, APIL will now be offering this event on a completely virtual platform - giving our sponsors a whole host of brand new and exciting opportunities! This will enable our sole sponsor to elevate their brand amongst our delegates and speakers, in a new and innovative way.
