

## **APIL Meeting Cardiff - 29th June 2016**

The Wales regional meeting for the summer of 2016 looked at accidents abroad as a timely theme. An attendance of just over a dozen enjoyed talks from two barristers from leading holiday case chambers, One Chancery Lane London. Jack Harding gave an interesting talk on gastric illnesses, complete with discussion of projectile vomiting and diarrhoea. His colleague, Tom Collins, gave an update on motor insurance and community law. APIL Wales Co-ordinator, Michael Imperato, then gave a brief update on air travel accident law and claims.

APIL EC member Cenrick Clement Evans gave an update on news and campaigns from APIL.
