

APIL annual clinical negligence conference 2020

“CANCER”

Thursday, 8 - Friday, 9 October

VIRTUAL CONFERENCE

In 2020, APIL's annual clinical negligence conference is taking place on a fully virtual platform and we are delighted to be bringing our packed two-day programme - which centres around the theme of **cancer** - directly to your homes and work spaces!

This BRAND NEW and innovative format will take place live from Thursday, 8 - Friday, 9 October but delegates are also invited to view the event, on-demand, for six months after the live event.

The conference will be easily accessible to all attendees via the brand new APIL App and also, via our browser version on your computers and laptops.

STARTING FROM ONLY £300 + VAT FOR THE WHOLE EVENT*

****Please note that registrations are for individual delegates only.
Delegates will be sent a personal unique link which must not be shared.**

How does a virtual conference work?

- The full conference programme will be available to view live, with comfort breaks
- All sessions will be available to view on demand, at your convenience, for at least 6 months after the live event date
- Conference materials and slides (that have been cleared by our speakers) will be provided in an electronic format, via the virtual platform
- Delegates will be given the opportunity to participate in a live Q&A session with the conference speakers at the end of each session (subject to availability)
- Virtual exhibition hall - this will give you the opportunity to fully engage with all of our sponsors and exhibitors
- Networking - you will be able to participate in interactive and engaging experiences through a new dynamic virtual conference platform with 1:1 chats and direct messaging with all attendees
- Virtual Quiz and Happy Hour - all attendees are invited to join together for our informal networking activities on the Wednesday and Thursday evenings

Conference topics*:

- Panel session: Hot topical issues
- The wheat from the chaff-diagnostic delay in primary care
- Gynaecology
- Breast cancer
- The role of radiology in cancer diagnosis

- Legal update
- Head and neck cancer
- Orthopaedics cancers
- Haematological cancers
- Establishing causation in cancer cases
 - Legal and medical perspectives

10 CPD hours
