

## Family law and child arrangements after serious injury

Thursday, 3 March 2022

13:00 - 14:00

This webinar will explore the intrinsic links between serious injury, the wider family and the legal implications. Whether P is single, in a relationship or married and with or without children, inevitable legal issues will arise by virtue of the injury.

The webinar will cover: -

- Capacity to marry – what is the current threshold?
- What are and which clients should consider a cohabitation agreement?
- Matrimonial and non-matrimonial assets – gain a clear understanding including how they are relevant.
- Financial arrangements upon divorce and how the family Court would consider a damages award. Does a trust offer sufficient protection from any claim?
- Pre and post nuptial agreements – are they worth it?
- Arrangements for children

The feedback from this training gains wide acclaim with delegates confirming that the information is applicable to each and every case they currently deal.

Furthermore, delegates confirm that they approach cases differently, in light of their new family law knowledge to enhance the protection of P moving forward.
