How to use the Ogden Tables: A practical explanation

Friday, 11 October 2019
13:00 - 14:00

With the recent change in the discount rate, now is an ideal time for those new to personal injury and medical negligence, as well as those moving into multitrack work, to understand how to use the Ogden Tables, to ensure maximum recovery of future losses for their clients.

Although this webinar will provide some history of the Ogden Tables, it will focus upon the practical application of the Tables and their use in future loss claims, with worked examples and clear explanations.

Further details will be confirmed shortly

Technical requirements

You will need access to the internet on your PC, plus audio speakers. If you do not have access to speakers you will be able to receive audio via a phone line. Further information on how to log on to the webinar will be sent via email a week before the event.

Malcolm Underhill is a partner at IBB solicitors, in West London.

Having begun his career in the insurance industry he has a broad range of experience. He is a member of the Law Society's Personal Injury Accreditation Scheme and fellow of APIL.

He is co-ordinator of APIL damages special interest group.

He focuses on serious head injury and child abuse work

Malcolm is listed as a leader in his field by Chambers UK Legal Directory. He trains personal injury solicitors around the UK on behalf of the Association of Personal Injury Lawyers.
