

The Damages Claims Portal: A series of APIL workshops

As Law Reforms continue to push for further digitisation of the civil claims process the Damages Claims Portal (DCP) is at the forefront of HMCTS digitisation program. This program of 4 sessions is aimed at training individuals in the use of the system as it currently exists, setting out what is changing and is designed to allow practitioners to have their concerns and issues/questions answered.

Each webinar stands alone but can also be purchased as part of the series of four. As a special offer we are offering a reduced price for booking the whole series in one go.

This series is aimed at all practitioners who will use the Damages Claims Portal and cover:
