

Whiplash: part II – The bespoke Court process for dealing with disputes

Thursday, 8 April
12:00 - 13:00

Join Brett Dixon and John McQuater for two webinars to introduce you to the forthcoming government online hub for dealing with whiplash injury claims and low value road traffic claims.

The webinars will cover the workings of the online portal and the bespoke online court process for dealing with disputes in relation to these claims to help you decide what you might run and what you might not. Once the system goes live a detailed one day course will be run looking at the system and tactics.

Part two of the series will cover:

- Timings
- Liability disputes
- Returning to the portal
- Quantum disputes
- Uplifts on tariff damages
- The problem of mixed tariff and non-tariff claims
- Interim payments, limitation issues and other applications
